**TO DELEGATES OF THE RID COMMITTEE OF EXPERTS' WORKING
GROUP ON TANK AND VEHICLE TECHNOLOGY**

Postponement of the 18th session of the working group on tank and vehicle technology

Ladies and Gentlemen,

You were sent the invitation to the 18th session of the working group on tank and vehicle technology in circular letter RID-20004-CE dated 23 January 2020.

Owing to the pandemic spread of the Corona virus and the resulting travel restrictions for a number of delegates, we unfortunately have to postpone this meeting.

We are aware that postponing this meeting will cause each participant an additional administrative burden and possibly financial costs owing to the cancellations they will have to make. However, in view of the risk to health for everybody, we consider this decision to be unavoidable. For reasons of solidarity with those delegates who are already subject to travel restrictions and our responsibility for every delegate, we are convinced that this is the correct decision to take.

As soon as possible, we will set another date for the meeting and send you a new invitation.

Yours faithfully,
